EDUCATION

Bachelor of Engineering - ICT
Adani Institute of Infrastructure Engineering (GTU)
September 2022 - May 2025

Diploma in Engineering - CE
Sal Institute of Diploma Studies (GTU)
August 2019 - July 2022, CGPA - 8.74

10th Std - NCERT
Gurunanak and Chandraketu Pandya English Medium School
Percentile - 82.77

WORK EXPERIENCE

Oxford Logistics May 2024

(Flutter) - Available on Play-store

Developed a logistics management app's frontend to assist with transportation & supply chain tasks. The app features real-time tracking, route planning & inventory management and integrated with rest APIs to fetch and update data seamlessly.

ACADEMIC PROJECTS

Together - we make a difference - NGO project
(Flutter & Firebase)

Collaborated on a mobile app linking donors with NGOs for food & clothing distribution. Developed donor registration, item listing, NGO coordination, and map features for nearby donations, ensuring smooth user experience and communication.

Techwise - E-Learning Platform
(Flutter & Firebase)

Developed an interactive E-learning platform, designed for learning programming languages. Implemented user authentication, content delivery, and progress tracking. The platform offers comprehensive resources and interactive features.

PROFESSIONAL SKILLS

Mobile App Development | Flutter - Android/iOS/Web
Android Development | iOS Development | Dart
Java | Figma | Firebase | Git | Jira | UI/UX
HTML | CSS | JAVASCRIPT

INTERNSHIP

IBM AI-ML Internship June 2024

During my internship I learn about AI and ML concepts. Developed a chatbot using AI-ML IBM technologies. Gined hands-on experience with IBM tools and platforms.

OTHER

Market Dynamics Training Academy
February 2024 - April 2024

Strong analytical skills combined with a passion for staying updated on market trends and developments to refine technical analysis techniques and adapt to changing market conditions.

Co-leader in Sports fest
ASPIRE 2024

Played a pivotal role in planning and coordinating various aspects of the sports fest, including team selection, scheduling practices and ensuring each member's strengths were utilized effectively to achieve common goals
